

Japanese Kite Flying

for
'The Day of the Child'

6th May 2015

Meeting at **Comb Hill,**

to fly kites & play wide games.

We made Koinobori to celebrate
the birth of Princes Charlotte.

Our Guides made their Promise
at the monument.

"Koinobori", carp windsocks, carp streamers
decorate the landscape of Japan from April through
early May, in honour of Children's Day on May 5th.

In Japanese culture the carp symbolizes courage
and strength because of its ability to swim up a
waterfall.
