## Haddenham Medical Centre PPG 200 Club Lottery 2017

The PPG 200 Club is part of the Haddenham Medical Centre Patient Participation Group and raises money by a monthly draw to buy equipment for the Medical Centre that isn't provided through standard NHS budgets. In 2016 the PPG 200 Club draw together with a generous donation from the Haddenham Beer Festival Trust raised £4,500 and was able to fund the purchase of a new portable ECG machine. A draw ticket costs £25 and provides twelve monthly draws, each with three prizes, £50, £25 and £10.

In 2017 we are targeting to raise enough to buy the following additional equipment to improve facilities at the Medical Centre:

1. A Projector for the Training Room.
2. Tablet computers for patients to use on-line at the Medical Centre for prescriptions, appointments and more.
3. Blood Pressure monitoring equipment for loan to patients for home use.

Please help us by joining PPG 200 Club 2017. If you are already a member just call Lesley Coles.
