

Haddenham Medical Centre PPG 200 Club Lottery 2018

In 2017 the PPG 200 Club draw raised £2015 and we purchased on behalf of the Medical Centre a projection system for the Health Training Room and additional High-Backed Armchairs for use by more disabled patients in reception. The number of members of the Lottery was down on 2016 but, fortunately, there were no very costly items needed during the year.

We intend to purchase shortly the following additional equipment to improve facilities at the Medical Centre:

1. A Paediatric sats monitor
2. Blood Pressure Monitors for patients' home use
3. Additional High Backed Armchairs for reception

We have been asked recently to fund a health information event at the Medical Centre, but we felt it was outside of the scope of the commitment made by 200 Club members to specifically purchase equipment. We would, therefore, like to change the scope of the fundraising for 2018 to cover "Equipment for the Medical Centre and any other appropriate expenditure to benefit patients and further advance the PPG".

Please help us by joining PPG 200 Club 2018 or renewing your existing membership for 2018. If you are already a member just call Lesley Coles.

Members can **register online** at www.dinton.info/ppg.php or complete the form below.
