

PICNIC IN THE PARK 25th August 2012

The marquee went up in the Parish Field and along came the decorators to dress the tables in various themes such as beach, planet and space, Olympic, Patriotic, Chinese etc. Imaginative and creative a wonderful effort by everybody.

The winning table was magnificently sophisticated laid out in black and gold. Well done to Kieran and Joanna Robinson and team.

The local band 'Bustin' Loose' played all the favourites tunes which kept people dancing all evening.

Big thanks to the marquee team for organising this wonderful event.
